

News Release

For Immediate Release

May 25, 2020

To All of Our Valued Customers and Service Providers

Welcome back to a new season!

What's New at KF Aggregates?

Starting in spring 2020, KF Aggregates we will be purchasing **inspected demolished, clean concrete and clean asphalt for \$2/MT** at our Regina pit north-east of the city.

If you have any questions regarding this new opportunity or any of our products, please contact **Clint Vos** at (306)529-6602 or email KF Aggregates at info@kf1899.com

At KF Aggregates you have our commitment that we will continue to provide valued customer service to our clients and their needs as we move forward during these unprecedented times. As we start a new construction season, it is important to the management and staff at KF Aggregate that we stay connected with our valued customers. Periodically, we would like to share a newsletter with our customers that will include product launches, customer deals and promotions, and what's new at KF Aggregates.

We look forward to a new and exciting season at KF Aggregates.
